Product of Your Environment Eight Hours of Fame Pillowcase: Perfect for narcoleptic couch potatoes.

Urban Outfitters Blondie Pillowcase Set: Because I've got a bit of a Debbie Harry fixation.

Urban Outfitters Good Nite Set: I bought these for my brother for Christmas, paired with a new black duvet. Let's face it - most men's bedding is awful.

Branch Handmade Vintage Pocket Watch Set: Another fab Etsy find. They also do feathers, xo, motorcycles, and fishing boat prints.
